RE: Primary and Secondary Materials for Warranted Roof Systems

Polyglass' warranty program policy for all projects requesting a Roofing Systems Warranty require that primary materials (membranes) and secondary materials (primers, adhesives, mastic and coatings) be manufactured and branded Polyglass products.

Polyglass reserves the right to offer exceptions to this policy due to project specific circumstances. Any such exceptions to be submitted for and approved by Technical Services prior to the project start and should be indicated on the Warranty Registration Form.

Special circumstances and questions should be addressed to POLYGLASS Technical Services Department.
