National Technical Services Manager

RE: Polystick TU Plus

To meet the needs of our customers, Polyglass is pleased to announce an exclusive offering of our Polystick TU Plus utilizing a gray color polyester fabric surfacing. This TU Plus offering utilizes all the same high quality raw materials and finished product performance our customers have come to expect from Polystick TU Plus.

The Polystick TU Plus product is manufactured and tested to ASTM D 1970 Standard Specification for Self-Adhering Polymer Modified Bituminous Sheet Materials Used as Steep Roofing Underlayment for Ice Dam Protection, carries ICC Listing (ESR-1697), Florida Product Approval (FL-5259) and Miami Dade NOA (11-1229.01). As with other Polystick underlayments, all applicable Polystick warranties are applicable to this TU Plus offering.

Special circumstances and questions should be addressed to POLYGLASS Technical Services Department.
