

- ROOFING AND WATERPROOFING SYSTEMS

## PROJECT REFERENCE

### CFB Trenton Military Housing Canada Residential

Polyglass' Elastoflex® SA P Grey Slate cap sheet and Elastoflex® SA V base sheet are installed on 20 homes located on the Canadian Air Force Base. The membranes were selected to match the shingles and are installed on the 400 sq. ft. flat part of the roof. The cap sheet is available in 10 colors.

#### Products:

- Elastoflex® SA P (Grey Slate cap sheet)
- Elastoflex® SA V (base sheet)
