

# POLYGLASS RKD-4 KIT

## SIEVERT FLAMELESS TORCH

### PRODUCT DESCRIPTION

Polyglass RKD-4 Kit offers safe, fast and convenient repairs of modified bitumen membranes. Comes with a hook that can easily attach to belt. This can also be used as a “core cut” kit – perfect for estimating. Includes all the parts listed below in a very handy canvas carrying case.

As shown at our Polyschool contractor training classes, the flameless torch helps ensure watertight seals on Self-Adhered products at seams and details, particularly in colder weather. This will improve product performance and quality of installs and contractors will remember Polyglass every time they use the tool.

### KIT COMPONENTS

- 3366-97 ProMatic Universal Handle with piezo ignition
- 3358-90 Hot-air burner (3K BTU/hr)
- 3015-04 4 ft hose and regulator for disposable cylinders of Mapp or Propane
- 5013-90 Canvas bag with Sievert embroidered Sievert logo
- Polyglass logo embroidered on bag

### MANUFACTURING FACILITIES

- Fernley, NV
- Hazleton, PA
- Waco, TX
- Winter Haven, FL
